SUBJECT: Estonia with U.S. on Iran

REF: STATE 120288

Pol Chief delivered reftel demarche November 25 to Juri Kahn, the MFA's Director for Africa, the Middle East and Latin America, Anneli Vares, Iran desk officer, and Kristi Torum, Senior Technical Export for Armaments and Strategic Goods Control. Kahn said the GOE is in full agreement with the United States on Iran's nuclear program. Kahn added that recently the Egyptian Ambassador came in to argue that, in the eyes of "the Arab world," Iran is in full compliance with its IAEA requirements. Kahn did not accept the Egyptian position.
